When it comes to getting quality sleep support medication, Buy Restoril Online from [Primedrugstores.com](https://www.primedrugstores.com) offers a reliable and convenient way to access authentic medicines safely. Restoril, known by its generic name Temazepam, is a trusted benzodiazepine prescribed to help manage insomnia and improve sleep quality by calming the nervous system.

What Is Restoril (Temazepam)?

Restoril (Temazepam) is a clinically approved sleep aid used for short-term treatment of sleep disorders, such as difficulty falling asleep or staying asleep. It works by enhancing the effects of GABA, a natural chemical in the brain that promotes relaxation and helps reduce anxiety, making it easier to achieve a full night's rest.
